8.2 After Commencement. After the League has begun its schedule, a unanimous vote of league members present at any meeting shall be necessary to effect any change.

9.0 Handicap League.

9.1 Formula. The league shall bowl on a handicap basis, the handicap allowance shall be 80% of the difference between each individual's average and ~~220~~ 210 scratch, with a maximum of ~~70~~ 67 and a minimum of 0.

Wednesday Doubles League

9.2 Previous Season's Averages. For the first 12 individual games of the season, bowlers shall bowl off a handicap established at the end of the previous season of the Wednesday Doubles League. The new handicap shall be based on the average of the first 12 individual games bowling figures.

9.3 New Bowlers. New bowlers to the league will have their handicaps calculated retrospectively based on their first series, and then updated each time they bowl.

9.4 Bowlers with less than 12 Games. Any bowler who has bowled less than 12 games in the preceding season will be deemed a new bowler.

10.0 Blind Score.

10.1 Legal Line-up. A legal line-up shall be 1 or more of the team's registered players. Where an incomplete but legal line-up is present a blind score shall be used in place of the absent player.

10.2 Blind score to be used. If a team has registered 2 or more bowlers and only 1 (a legal line-up) is able to bowl, then the blind score used shall be that of the absent team member who has bowled the most games. Note: - A league reserve and a blind score or two league reserves is not a legal line-up.

10.3 Blind Score Formula. The blind score shall be based on the average of the absent team member who has bowled the most games, less 10% (ten percent), but including handicap. In the case of there being two or more absent team members who have played the same number of games, then the highest absent team member's average is to be used.

10.4 Blind Score Limit. No more than one blind score may be used by any one team during any game.

10.5 Default Blind Score. Where a blind score is used where there is no team reserve who has bowled any games then the blind score of 150 per game without handicap shall be taken.

10.6 Blind Lineage. Full lineage must be paid for all blinds. Team captains will be responsible for keeping accurate records of who paid the league dues for blind scores so that the reserve fund money may be returned to the rightful owner.

10.7 Points. Any points won by a game including a blind score will be credited to the team.

11.0 Team Bowling Alone. See also item 16.4.

11.1 Forfeiture. If a team fails to bowl any match and has not applied for a postponement as in the Postponement section, then the team attending must bowl all games as if actually contested. The attending team, present to bowl, must bowl within 90% of their own combined league average, excluding handicap.

11.2 League Dues. League dues for the absent team to be paid before they bowl in the League again.

12.0 Postponed Matches.

12.1 Postponements - Who informed. If for any good or valid reason a team is unable to bowl at the scheduled time, the Team Captain or Vice-Captain must give the Secretary and the opposing Team Captain or Vice-Captain at least 7 days notice both in writing and verbally. The Centre Manager will need to be informed so that the highest numbered pair of lanes available can be booked for the postponed match.

12.2 When Played. The postponed match must be played within 6 weeks of the scheduled date, or if more convenient may be pre-bowled. Bowling fees for a pre-bowled match must be paid in advance so that the lineage may be paid to the Centre before the match. When a postponement is played after the league, as a double header, the starting time shall be five minutes after both teams have finished their scheduled league matches.

12.3 Emergency. The 7 days notice will be waived in the event of an emergency.

Wednesday Doubles League

12.4 Postponement Limit. No team shall have more than two of their own requested postponements still to be played at any one time. No postponed matches shall be bowled after the final night of the league schedule, unless such a match could have a bearing upon deciding the prize list. Note: Postponements are not allowed on or after the final night of the league schedule, which for this season will be ~~17 August 2011~~ 9 May 2012 (Week No. ~~45~~ 30).

No team may request more than 6 postponements during the season, unless there is a valid reason.

12.5 Exception. Postponed matches in this category must be bowled not later than 7 days after scheduled completion.

12.6 Form. An official form is provided for postponements and should be requested from the Secretary, completed and returned to the Secretary with the postponement date and league dues. The League Secretary will not accept postponement forms without a date for the replay.

12.7 Secretary Substitute. In the event of the secretary being absent, the form and dues should be handed to the League President or Treasurer.

13.0 Position Standings.

13.1 Points System. Position standings will be decided on a 8-point system, with 2 points awarded for each team game won (including handicap), and a further 2 points for the team having the highest overall pinfall (including handicap).

13.2 Score Sheets. The official score sheet shall be completed at the end of each game before clearing the scores from the display unit. On completion of the match the official score sheet shall be completely filled-in, including totals and sub-totals, be signed by both team captains, (or Vice-Captains), to signify their agreement and passed to the Secretary.

13.3 Ties. In the event of any ties for team position, superior pinfall (including handicap) will decide. The only exception to this will be on the final standing sheet, when a tie for the first place exists. A roll-off, played within 7 days, on the 8-point system over 3 games shall decide the winner. If a tie still exists, total pinfall (including handicap) shall then decide. For ties in the minor placings, no roll-off will be required, superior pinfall (including handicap) shall decide. Only lineage need be paid for this play-off.

14.0 Lateness.

14.1 Late arrivals. Any player who arrives late may join the game being bowled, as long as he arrives before the opposing team have finished their 5th frame, and he may be permitted to bowl the game, including the first 5 frames.

14.2 When Not Allowed to take Part. Any bowler arriving after the 5th frame may not take part in the match until the next game commences, he may practice bowl with the express permission of both team captains.

15.0 Prizes.

15.1 Qualification. To qualify for an individual award, a player must have bowled in at least 40% of the total games bowled in the full league schedule.

15.2 Team. No team may qualify for more than one team award in each section.

15.3 Trophies. Prize fund to be divided to provide trophies (or alternatively glassware or a pro-shop voucher) for team and individual awards as decided by the Board of Directors (See prize list). Where a team is eligible for trophies and has more than 2 members, the prize money allocated can be used to provide trophies for each Team Member, and also for any League Reserves, should the Team Captain so decide.

15.4 Sponsorship.

Note:- The League gratefully acknowledges the support provided by Woody's Pro Shop

President	-	Michael Troke
Vice-President	-	Alfred Jolliffe
Secretary	-	Alan Reed
Treasurer	-	Alan Reed

16.2 Knock-out Championships. During the Winter Season, when sufficient time is available, knock-out championships shall be held to decide the individual and team Knock-out Champions. Matches will be decided on total handicap pinfall over the three game series.

A double elimination format for the Derek Hopgood KO competition will be continued this season. Individual knock-out matches shall be played in parallel with the scheduled league fixtures. The total of the first series, including handicap, rolled by an individual in a period will be used to decide which player proceeds to the next round. If you are drawn against a reserve player who plays only infrequently and he/she does not play before the next round then you will be given a bye.

Team knock-out matches shall be played as above. Matches will be deemed to be played on the first date of each round providing both teams have matches that evening. If one team has a postponement then the match will be deemed to be played when both teams are next playing, provided of course that it is played before the next round.

Please let the Secretary know if you expect any difficulty in completing your individual or team match in time.

In the event of the League and Knock-out Champions being the same team then the runners-up from both competitions shall roll-off, on the same basis as above, to decide which of the two teams scores will be matched against the League Champions score, on the same night, to decide the President's Challenge winners. (If the runners-up are both the same team then that team shall challenge the League Winners).

16.4 League Having Odd Number of Teams. When the league comprises an odd number of teams the team scheduled to play against the missing team (No. n/a) shall not bowl a match.
