

## Wednesday Doubles League - Personal Bests

The averages shown below are the final averages for the current players who rolled at least 15 games during last season 2010/2011. \* Players averages for 2010-2011 as they did not roll 15 games last season. Please note that the Hi-scratch game and Hi-scratch series are the highest rolled in this league since 1993. Players may have held higher averages last season and have rolled higher games/series on another league(s).
